ITECH TAPS PMG CREATIVE FOR PR

BURLINGTON, VT – iTech US, a total solutions company specialized in providing software consulting services, application development and business process services, has hired PMG Creative to handle its public relations needs.

iTech, with current revenues of over \$30 million, was ranked 113 on the Inc. 500 fastest growing private companies list in 2007. In addition, the company was ranked third out of 500 on Deloitte Technology Fast 500 list. A partial client list includes: Microsoft, Qualcomm, Bally, Lehman Brothers, State of Georgia, Pitney Bowes, and Eclipse Aviation.

Says Ken Liatsos, co-founder of PMG, “We’ve been keeping our eye on these guys for a few years now, and we’re incredibly excited to partner with one of the biggest high tech success stories in the Northeast.”

PMG Creative is a public relations firm working with socially and environmentally responsible clients nationally, from its office in Burlington, Vermont.
